

Developmental Milestone further information

Child Development App 0-6 Years

The App was first developed in 2013 in partnership with UU (Professor Mary McColagan) and QUB (Dr. Anne Campbell) content authors and the Child Development App Steering Group convened by the Northern Ireland Social Care Council. This steering group included input from social work, early years and education professionals and the DHSSPSNI. The App is part of a series of three Apps which won the husITa Best Human Services App Award 2017.

The App has been updated in 2018 with the assistance of content author Dr Anne Campbell, QUB and colleagues within the DOH and EANI. This App is the first in a series of three Apps (7-12 and 13-18 years).

NOTE- Access via the website can be found in the Learning Resources Tab and then through Child Development Tab on the right-hand side
